

The Sea Flower

DURING THE AGE OF THE WINGED WARRIORS

is a magical feast for the imagination. C. P. Chen brings to life a stunning cast of characters and an unbelievable world beyond our own. His heroes are at once larger-than-life and deeply human. Adventures by land and sea, epic battles fought in mid air--you won't be able to put *The Sea Flower* down until you reach its mysterious conclusion.

C.P.Chen is an Industrial Engineer and has a Masters of Science in Business Administration. He lives in New Jersey with his wife Paz, son Jeffrey and daughter in-law Mikee and writes under the penname "Morning Dew".
